CHIPPERFIELD PARISH COUNCIL

GRANTS AND DONATIONS POLICY

| | |
|---|------------|
| Version | V24.0 |
| Date approved by Finance & General Purposes Committee | N/A |
| Date approved by Full Council | 14-05-2024 |

1. Principles and Rules

The Finance and General Purposes Committee (F&GP) will consider applications for grants (for a specific project) and donations (for general purposes) and make recommendations to the Full Council for a vote. The F&GP will use the checklists below in an honest, objective, fair and transparent way to assess whether the application supports our mission and benefits people who live in the parish. Checklists 1 and 2 are based on legal requirements and are mandatory. Checklist 3 contains desirable (rather than legally required) features.

2. Sources of Funding

- 2.1. CIL funds* from developers (previously S106 contracts)
- 2.2. The “Precept” –the local council tax requirement from local electors;
- 2.3. The sale of land or other assets;
- 2.4. Renting services such as our football pitch and allotments.

*CPC powers to donate CIL funds differ from the other three sources

“A parish council has no power to hold revenue reserves other than for reasonable working capital (typically between 3- and 12-month’s expenditure) or for “specifically earmarked purposes” where money is allocated for a specific purpose but may not be spent in that financial year. This may include donations to purchase or renovate a building, develop a sports facility or community centre etc.”

The Good Councillor’s Guide to Finance and Transparency 2017

3. Powers to Donate

3.1 Community Infrastructure Levy (CIL)

CIL 2010 replaced individually negotiated agreements with developers under Section 106 of the Town and Country Planning Act 1990. It allows local planning authorities, in our case Dacorum Borough Council (DBC), to raise funds from a developer (based on the amount of new floor space created by the development). Although principal authorities can only spend CIL on infrastructure projects, local councils, such as CPC, can spend their CIL funds on anything to address the demands that particular development places on an area.

3.2 General Power of Competence

When donating money other than s106 or CIL, such as the precept or the sale of land, CPC is eligible to use its “General Power of Competence” (GPC) under the Localism Act 2011. CPC can use the GPC because it meets the 3 required conditions:

- CPC passed a resolution to adopt the GPC at a full council meeting.
- CPC employs a ‘qualified’ clerk who has passed a specified sector qualification; and

- CPC has two thirds of councillors elected or have stood for election, even if unopposed (but not co-opted or appointed).
The GPC gives CPC the power to do anything an individual can do, provided it is not prohibited by other legislation. In simple terms, provided that it is lawful, CPC can donate money without restrictions.

3.3 Local Government Act, Section 137

If at any stage, CPC no longer qualifies for the GPC, we would rely either on a specific power or the power under s.137 of the Local Government Act 1972 which limits the amount a parish council can donate and restricts the purposes.
